01 PROFILE

I'm a hard-working developer who has been in multiple different development positions. I love front-end development the most as it is a very creative way to build applications. In my spare time, I work on personal projects and learning new things.

02 EMPLOYMENT HISTORY

02/2020 — 08/2020

DevOps Engineer at iWink

Groningen

- Consistently communicated in a lucid and effective manner.
- Participated in staff and team meetings and offered a positive presence and outlook.
- Worked with a high level of confidence and ambition.
- Worked on new server setups and solving problems.
- Collaborated with the IT Team to ensure that security software was properly installed on all employee computers.

06/2018 — 02/2020

Full-stack Developer at Jobs & Media Group

Groningen

- Brought forth in-depth industry knowledge and experience.
- Investigated and reported cybercrime.
- Provided effective troubleshooting and remediation for web applications.
- Worked to solve complex problems using the latest in Cloud, Mobile, and Web Technologies.
- Planned, developed, tested, deployed, and maintained web applications.

04/2017 — 06/2018

Back-end Developer at Social Brothers

Utrecht

- Worked well independently and on a team to solve problems.
- Provided effective troubleshooting and remediation for web applications.
- Planned, developed, tested, deployed, and maintained web applications.

06/2016 — 05/2017

IT Specialist at Student aan Huis

The Netherlands

- Consistently communicated in a lucid and effective manner.
- Worked to represent the company in a positive and enthusiastic manner.
- Brought forth passion and enthusiasm, resulting in favourable outcomes.
- Served as a friendly, hardworking, and punctual employee.

- Organized and prioritized work to complete assignments in a timely, efficient manner.

01/2015 — 05/2015

IT Intern at De Nederlandsche Bank

Amsterdam

- Brought forth the ability to work well independently and also with others.
- Followed directions and multitasked well.
- Remained positive and hopeful even in stressful situations.
- Handled incoming and outgoing mail.
- Provided office employees with continual support.

03 EDUCATION

Jul 2016 — Jul 2018

LOI (independent study)

Groningen

MBO4 (BTEC Level 3 Extended) - Application Development

Diploma: no

This study is meant to finish the study I started at ROC. It covers the same information but as it is an independent study, I was able to go through it all at a faster pace.

Feb 2015 — Feb 2016

ROC

Utrecht

MBO4 (BTEC Level 3 Extended) - Application & Media Development

Diploma: no

Learning the basics of web development using technologies such as PHP, MySQL, JavaScript, HTML. I also learned more about database management, application management and application deployment.

Jun 2013 — Jul 2015

MBO College

Hilversum

MBO3 (BTEC Level 3) - IT Management

Diploma: no

I learned the basics of computer management and assembly/disassembly of computer systems (e.g. servers, towers etc.). This study also included an in-depth course on computer networking (CISCO CCNA).

Jun 2009 — Jul 2013

Wellant College

Naarden

VMBO-GL (General Certificate of Secondary Education)

Diploma: yes
